*May 2020*

Dear Graduates:

I wish we could all be together this weekend to celebrate your remarkable accomplishments at the University of Richmond. While circumstances have deprived us of this opportunity, it is a pleasure to recognize and honor you through this virtual celebration.

Graduation marks an important milestone; it also celebrates a beginning of the lives of purpose for which your education has prepared you. Our hope is that your time at Richmond has challenged you intellectually, animated a lifelong curiosity, introduced you to new perspectives and experiences, and given you the opportunity to build lasting friendships.

It has been a privilege to have you in our community of scholars, and we look forward with anticipation to the difference you will make as leaders in your professions, communities, the nation, and the world. As you extend your appreciation to family and friends who have supported you on this path, please know that we will see you again and host a fitting tribute to you on campus once it is safe to do so.

My best wishes,

A handwritten signature in cursive script that reads "Ronald A. Crutcher".
